Dear Friends in the Cause of the Gospel.

This email comes from Alabama, but we should be home in Michigan by early next month. This has been a wonderful winter in which once again we have met many new friends in the Lord. Our Bible classes and church pulpit ministry were a privilege and pleasure.

NEWS: Our new book, *Henceforth A Crown (An Exposition of Second Timothy)* is due from the publisher any day. Give it another week and you can buy it from any of the major book stores, including Amazon.com. We have another mss on the book of the Revelation ready for publication, and it should be in the book stores within a couple of months.

Our web page has a new section. Our web master, who happens to be our son, has managed to upload a number of our DVD's. If you go to our web page click on **videos**, selecting either the one entitled: "Kingdom of God" or "Home Bible Study Meeting." We now have two whole sets of video study disks ready: (1) The Kingdom of God has six double sessions each lasting some thirty Minutes, and the same is true of the series on the Second Epistle to Timothy. These can be purchased at \$8.95 per dvd. Also, you will find a dvd by Shirley where she is reading a selection of her soliloquies. What amazes me is the fact that these videos can now go all over the world. Yes, all over the world! We have even had hits from China. If you ever wondered about Matthew 24:14, wonder no more. Do not dismiss this, for Paul was preaching the kingdom of God, and so should we (Acts 20:24,25; 28:23,30,31).

In this mailing we have, as usual, included another study, a continuation of the series on the Revelation. We welcome feedback. Use drhth@juno.com. Let us be Bereans who sincerely search the Scriptures for ourselves, and not simply be 'parrots.' The only final authority for our faith and our practice is the written Word of God.

The grace of the Lord Jesus continue with you. Yours because His, Henry, Jn. 3:30
